

Stories from "The Rainbow Book" - M. H. Spielmann

**Stories from "The Rainbow Book"  
Mabel Henrietta Spielmann**

"Tales of Fun & Fancy" is the subtitle of this story book and it well describes the contents which are written with a great deal of fun and fancy indeed. I have chosen 15 of these imaginative and delightful stories for us to record in this project. Some are short, some are longer but all will capture your fancy as you listen to them. - Summary by Phil chenevert
